

# MRS KIEDA CLAUDINE-CURRICULUM VITAE

## INTRODUCTION

### KIEDA Claudine

Professional address: CBM, UPR 4301, CNRS, rue Charles Sadron 45071 Orléans Cedex  
Research Director at CNRS, Professor.

✉ : [claudine.kieda@cnrs-orleans.fr](mailto:claudine.kieda@cnrs-orleans.fr)

☎ : 33 238 25 55 61

Fax: 33 238 525 54 59

## EDUCATION

- 1980 Habilitation Doctorate
- 1979 Ph. D.
- 1977 Third cycle thesis

## POSITIONS AND STAYS

### • Research

- 1990 - **Research director**, CNRS, team: « Intercellular Recognition and Glycobiology »  
  
**Postdoctoral researcher**, National Institutes of Health, Laboratory of Immunology, National Institute of Allergy and Infectious Diseases ;  
Bethesda, Maryland, U.S.A. (Head : Professor William E. PAUL) Fogarthy Foundation fellow.
- 1981 - 1983
- 1979 Weizmann Institute of Science,  
Department of Biophysics, Rehovot, Israël (Head : Prof. Nathan Sharon).  
Laureate of the E.M.B.O ; Laureate of the Feinberg

### • Teaching

- 1995 Coordinator of the TEMPUS the SOCRATES ERASMUS student exchange program.
- 1994 Associate Jagiellonian University, Biotechnology
- 1987 Lectures in Immunology for Master degree and PhD students.  
Biochemistry, University of Orléans

## • Distinctions

- CNRS medal for research, 1983
- Polish : Kawalier Odrodzenie Polska 1998
- Merentibus of the Jagiellonian University, Krakow Poland ; 2006
- Kopernik medal of the Polish Academy of Sciences, 2010
- Professor of the universities of Poland

## ➡ RESEARCH SUBJECT

"Molecular Mechanisms of intercellular recognitions in invasive phenomena".

Role of endothelium and its specificity in the invasive pathologies; normalization of the pathologic vasculature as an alternative to angiogenesis directed therapies.

Responsibility of the common flow cytometry facility-, cell biology- and dynamic microscopy platforms.

## ➡ RESPONSIBILITY FOR INTERNATIONAL EXCHANGES AND RESEARCH PROGRAMS

- Joint laboratories CBM-CNRS/LPAN
- Tempus european interuniversity teaching exchange Orleans-Krakow program
- Socrates-Erasmus Program Orleans-Krakow
- Coordinator of the GDRE (groupement de recherche européen) on cancer research « host tumour interactions »
- Coordinator of the French-Polish consortium in oncology
- Scientific advisor and member of the council of the "Studium of molecular medicine"; International doctorate school by the Warsaw medical university
- Responsibility of the double French-Polish master degree teaching in Life Sciences (University of Orleans-Jagiellonian University)

## ➡ PUBLICATIONS

- 10 patents
- 103 references related to the subject

## ➡ MISCELLANEOUS

- Responsibility of the foreign exchanges of students and researchers
- Doctorate Thesis direction: (thirteen to date), two co-tutorial thesis running
- Master degree direction: one student per year
- Students stays: coordination of the stays of foreign students
